THIS MELODY

IS A HIT!

Melody also studied the piano and plays very well. And you can be very sure everyone stops and stares—but never laughs—when she sits down to play.

Some melodies make it the hard way. Others never make it at all. But Melody Lee has been a No. 1 hit with everyone ever since she was born in Ohio, 19 years ago.

She has already sung on a few local radio and TV stations and is planning to move to New York City in a few months, continue her studies and practice there, while at the same time trying to hit the Big Time.

"Sing along with Mitch," was one way to burn up the TV tubes, but breathes there a man with soul so dead who wouldn't rather sing along with Melody Lee, instead? Melody, a creamy-skinned blonde with corn-silk hair, is a singer of pop songs herself and seems headed for a TV career. And we don't mind suggesting to the network "package" producers that this blonde charmer is quite a package indeed!

For vocal exercises, she likes to sing outdoors, in her private backyard, at eventide. Then, all too soon, dusk falls and the song is ended—but a lovely Melody lingers on.

THE BEST CIRCLES

Statuesque lovely,
Edna Holland, started as a
London showgal 2 years
ago; now is star of her own
dance act as well as
an English peer's fiancée.

She truly travels in the best
circles. This modernistic foto of Miss
Holland was fittingly done by a
top lensman whose name is Ed Dutcher.

With her stunning figure, Annabelle's often been asked why she doesn't try for the movies. She says she prefers a live audience. "They show such instant delight," she says.

People looking for the finest in pulchritude and performance are saying "So what" to Soho with Margo operating in the swankier nightspots. The Scotch lass with the delicate air has caused the biggest commotion in London since the Profumo scandal. She's a 38-26-36!

Helga Ericksen, another native
of Finlandia, follows the local
custom of not bothering with
clothing in the privacy of the
home. Now there's a nice custom!

A perfectly proportioned body and an extraordinarily beautiful face qualify Bettie Wonder as my competitor to determine the Eighth Wonder of the World. In Kostas Oda to a Broken Era he wrote: "Beauty is truth, truth beauty,—that is all ye know on earth, and all ye need know." The truth is, Bettie is beautiful.

FACE TO FACE

Just because her name is Penny, it doesn't mean this lush lass didn't get her money's worth when Mother Nature was passing out all those endearing young charms. Unlike Narcissus, who fell in love with his reflection, Penny McDonald isn't at all excited by her mirrored charms. She knows their worth, however, for they've made her a highly paid photographers' model.

DRY MARTINI

*Imbibers agree that one of
the most intoxicating drinks
is the dry martini. We feel
that nothing can make your
head swim faster than the
sight of this Martini— Maria.
We caught her dry outside
her L.A. backyard pool.*

CONTRAST

A silhouette of the female form is one of the most eye-arresting and exciting scenes that a camera can record. When the female form embodies the perfect profile, from head to toe, of lissome Bea Munyon, then you have a photograph that's worth saving. For the record, all three that you see here are Bea.

From either side, light or shadow, she is a photographer's dream. Bea's classic features, graceful figure and lithe body have her in great demand as a subject for art students. Note the slenderizing aspects of the silhouettes but she loses not a whit under the critical beam of studio lights.

SEE . . .History's most seductive sirens at work and play! How Mark Anthony got it from Cleopatra in the end! How Samson flipped his wig dallying with Delilah! How Napoleon overplayed his hand to conquer Josephine! How John Smith rallied his Pocohontas and saved his head! How Lucrezia Borgia was always a widow but never a bride! All in

"NOT TONITE HENRY"!

Outcuts the producer didn't dare show from the biggest grossing, most popular "girly-nudy" film ever produced. "NOT TONITE HENRY" was the first "girly-nudy" film ever to get a PLAYBOY spread and be sold for home movie consumption. Now, for the first time, available to you for your own home entertainment. Film NTH 1 — gorgeous living color, Film NTH 2 — sparkling black and white.

QUEENS WILD — 26 luscious damsels headed by the one and only Virginia Bell. QUEENS WILD is all wild action every inch of the way! Never have so many shown so much for so little. Film QW 1 — gorgeous living color, Film QW 2 — sparkling black and white.

EVERYBODY LOVES IT! — by the producers of "Not Tonight, Henry." The nakedest spoof . . . or maybe the nakedest truth about the never-never land of television. Over a dozen delightful doxies disport disarmingly through this hilarious film. Film ELI 1 — gorgeous living color, Film ELI 2 — sparkling black and white.

HAWAIIAN THIGH — A trip around the world with a bevy of buxom beauties. These outcuts are just the ticket for your own private little luau — they're tropically torrid. Film HT 1 — gorgeous living color, Film HT 2 — sparkling black and white.

THE RUINED BRUIN — The bearest movie yet produced! 21 beauties and a bear cavort in the girlesquecapade of the year. Side-splitting sequences from this ribald raucous romp! Animal lust . . . nature (and beautiful girls) in the raw! Film RB 1 — gorgeous living color, Film RB 2 — sparkling black and white.

ALL FILMS ARE 8MM 50 FT. IN LENGTH, EITHER COLOR OR BLACK AND WHITE.
